

# Champions of Justice Luncheon: COVID-19 Protocols

Due to the spread of COVID-19, Texas Watch is taking the following steps to promote the safety and well-being of all guests at our event. Please note the following:

- Texas Watch will be **verifying vaccine status** at the door (presentation of your vaccination card or a photo of your card is sufficient). If you are not fully vaccinated, please get tested within 72 hours of the event and present your **negative Covid-19 test result** at the door. Failure to provide vaccination verification or a timely negative test result will unfortunately **bar admission** for that individual. To avoid any disappointment, we will remind you of this policy several times before the day of the event.
- We ask that all guests **wear a mask indoors** except when eating.
- Texas Watch will provide masks for any guests who do not bring their own, and **hand sanitizer will be available** throughout the room.
- We will have all windows and doors open in the room to **maximize airflow**.
- To facilitate **spacing**, tables will have a maximum of 8 guests.
- All servers and event staff will be wearing masks. Salads and desserts will be preset on the table to **minimize server contact**.
- We encourage all guests to **take your temperature** the morning of the luncheon and ask you to stay home if your temperature is above normal. If you are otherwise feeling symptomatic, unwell, or anxious, we completely understand and kindly ask that you not attend in person. We will miss our friends who cannot come for any reason, but please rest assured that sponsors will be among the first to receive our video of the event.
- We encourage elbow bumps, fist bumps, winks, waves, and other forms of **safer greetings** over hugs and handshakes at the luncheon.
- By **working together** to take a few simple steps, we can all help to create the most safe and fun event possible during these challenging times.
