

# HB 19 HIDES CORPORATE NEGLIGENCE

*Juries need to be able to check under the hood to learn what leads up to a crash:*

- Company fails to monitor driver for *routinely speeding*
- Company does not discipline driver who *causes a crash*
- Company *fails to train* driver on speed management
- Company hires driver with multiple speeding tickets

## #TRUCKINGDANGER

Unsafe trucking companies should not be allowed **to hide their negligence** in civil jury trials. Bad actors must be held fully accountable to protect all of us on the road. HB 19 lets **reckless corporations** off the hook for their own failures.<sup>1</sup>
