

# NO MORE INSURANCE APPRAISAL GAMES.

Appraisal lets you resolve any low-ball offers from your insurance company with a neutral umpire.

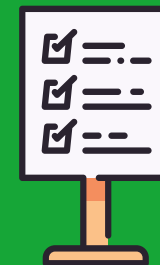

## HOW DO INSURANCE COMPANIES PLAY GAMES?

Insurance companies can wait to start appraisal, adding cost and delay for policyholders. They may even try to deny you this policy right. This means it will take longer for you to get paid for your claim.

## HOW CAN WE FIX THIS?

HB 2534 and SB 1706 tell insurance companies #NoMoreGames, establishing clear rules to make the appraisal process fair.
